The Lord Will Tear the Peace Plan to Pieces & The Time of Great Instability

Received October 5, 2025 – Published October 6, 2025

Israel & the Middle East

> 1 Thessalonians 5:3 (NASB95) While they are saying, "Peace and safety!" then destruction will come upon them suddenly like labor pains upon a woman with child, and they will not escape.

I saw the left hand of the Lord (symbolic of judgment) pointing to the Middle East. I then immediately sensed the wrath of the Lord. I then saw a tree symbolic of the peace plan negotiated by President Trump and Prime Minister Benjamin Netanyahu. The Lord took a spade and pushed it under the tree, ***overturning it***, which means that the peace plan will not stand; the "Peace Plan" will be torn into ***pieces*** by the Lord Himself. This marks the beginning of a new level of judgment and destruction that the Lord is about to release upon the earth.

In this season, we must have revelation from the Spirit, because the path ahead of us may suddenly give way. If we are not sensitive to the Lord's prompting and His commands, and if we are not obedient and abiding in Him, we will fall into an abyss of destruction (Jn 14-15, cf. Numbers 16:1-35). We must be prepared to stop or turn from the path we are taking to the path that He reveals to us. The sin of presumption will be dangerous if not deadly in these days and those ahead.

I saw the Lord represented as the Ancient Warlord [the Ancient of Days (Daniel 7:9, 13, 22); the Lord who is mighty in battle (Ps 24:7-10)], whom I have seen several times before. He revealed that He would not allow the peace plan to stand. I then saw the wrath of the Lord being released against all the nations from Israel. This is similar to what the prophet Amos saw before it was revealed to him the judgment the Lord would bring against the nations and His people: "The Lord roars from Zion, and from Jerusalem He utters His voice" (Amos 1:2b, cf. Is 42:13; Jer 25:30; Joel 3:16). This does not mean Israel's military will strike out against other countries. Still, it does mean that the Lord and His armies will wage war against the nations. How this would happen or what form this would take was not made clear to me. However, it was made clear that the nations have no idea what the wrath of the Lord will bring upon them. The Lord has already revealed His plan to bring ruin to the global economy, a plan that began in 2020.

This is the season for the nation of Israel and for Prime Minister Benjamin Netanyahu to be exalted by the Lord in the earth. The Prime Minister will be exalted far above President Donald Trump. President Trump and his cabinet will be humbled, if not humiliated, before Israel and before the Lord. The relationship between Trump and Netanyahu will be put in the order it is intended: Prime Minister Netanyahu will disciple/mentor President Trump, not the other way around. This will be the great humbling of President Trump, and it is of the Lord.

The Lord will use Benjamin Netanyahu to bring His word to the nations. The time has come to watch what the Lord will do with him and through him. The Spirit revealed that He will bring about the expansion of Israel's territory to the east.

The United States

The Lord then appeared as the Ancient Warlord, next to Washington, DC. He then took a pitchfork, which He pushed into the earth, and underneath the city, symbolic of our federal government, and turned it upside down, overturning it. This again speaks of the significant disruption that He is bringing, not only to the nation's capital but to America. The destabilization that the entire country will experience will stem from His actions in Washington. However, we need not fear the disruption that the Lord is bringing, for it is of Him. I then saw dominoes standing one by one come from Washington in a straight line, heading west, and they will fall as judgment from the Lord is released.

Then the Holy Spirit revealed smaller dominoes lined up and standing in front of smaller cities and towns all across the United States. The Spirit then reminded me of what He had shown, that He will bring complete judgment over every square inch of every nation. Judgment will encompass the entire United States, affecting every community, village, town, city, county, and state. I then heard the Lord say, "Every domino I have set up will fall." This type of judgment is decreed for every nation on earth.

I then saw the entire nation drop down in a moment (symbolic of the idiom of "the bottom falling out"), a sign of the destabilization to come and the economic downturn that will result. Then the Lord spoke, "This is a setup for My Spirit to move in power and to bring souls into My kingdom. You didn't understand how dark it would be before I pulled people out of the darkness and saved them. I am allowing the darkness to increase because I will be the Light that will shine in the darkness."

Great darkness will come to the nation due to the economic crisis and the judgment the Lord releases. This is when the Glory of the Lord will shine through His people.

The Holy Spirit then drew my attention to Silicon Valley and the high-tech industries that have their headquarters on the West Coast. High-tech industries and their leaders will be deeply concerned about what they observe taking place in America's economy. I then heard the Lord say, "I intend to bring disruption and devastation against these executives and these industries because they are distracting My people." In short, technology has become a god to the Church. The Lord revealed that He will bring judgment against high-tech companies because they have become idols in America, if not the world, distracting His people. He will pull these companies down, and it will be a complete and thorough work that the Lord performs.

As the Lord brought confusion to the people building the tower of Babel (Gen 11:1-9), He will disrupt and bring devastation to technology companies.

The Holy Spirit then highlighted the borders of the United States, including Alaska and Hawaii. I was then given the understanding that this is the time for the Lord's judgment to be released against America.

The Lord then revealed that much of what He is about to do has not yet been revealed, so His warning is to stay close to Him and to heed the warnings of His Spirit.

Oregon & Washington

These states are running out of time to repent of their sin. They are coming into a time of judgment if they do not turn from their wickedness; they have no idea of the wrath and multiple levels of judgment that the Lord plans to pour out if they do not repent.

The Lord's Choke Hold at the Strait of Hormuz & the Humiliation of President Trump

Received April 5, 2026; Published April 7, 2026 V1.2

INTRODUCTION

The title I have chosen for this article brings a personal sense of grief and distress. As the Lord moves to humble the nations through His judgments, He has been speaking of the time when He would humble President Trump and his cabinet. Every fiber of my being does not want to see what the Lord appears to have in store for President Trump, and it is deeply abhorrent to contemplate. I appreciate what he has and is doing for our country as he and the talented members of his cabinet fight to right the wrongs of open borders, fraud, and financial waste to the level of billions, as well as fighting for justice against liberal judges who continue to allow hardened criminals to roam our streets. For all his imperfections, I can't help but love the man.

However, in these times, as the Lord reveals what He plans to do, I look back to October 2013, when He confronted me and said, "You must surrender America to Me to do what I must do." I knew immediately that He would bring judgment upon America, the one thing I had hoped could be avoided. The memories of that revelation have flooded in since the Lord began speaking to me about the humiliation He would cause President Trump to endure.

In the area of a person being humbled, the Bible has a good deal to teach us. Most of us remember Proverbs 16:18 (NASB95): "[18] Pride *goes* before destruction, And a haughty spirit before stumbling." And Proverbs 11:2 (NASB95): "[2] When pride comes, then comes dishonor, but with the humble is wisdom. Pride brings a man low (Prv 29:23), and that is what the Lord has revealed to me twice, regarding President Trump and his cabinet.

The Lord revealed the following in the prophetic vision I released on October 6, 2025, in the article ***The Lord Will Tear the Peace Plan to Pieces & The Time of Great Instability*** –

> *This is the season for the nation of Israel and for Prime Minister Benjamin Netanyahu to be exalted by the Lord in the earth. The Prime Minister will be exalted far above President Donald Trump.* ***President Trump and his cabinet will be humbled, if not humiliated, before Israel and before the Lord. The relationship between Trump and Netanyahu will be put in the order it is intended: Prime Minister Netanyahu will disciple/mentor President Trump, not the other way around. This will be the great humbling of President Trump, and it is of the Lord.***

This was followed by details concerning what appeared to be the economic destabilization of the United States that would sweep the country. Every community, town, suburb, city, county, and state would experience what the Lord would cause to emanate out of Washington, D.C. This is judgment coming from the Lord, which He has repeatedly revealed would come to our

country. Even though I am surrendered to what the Lord intends to do, I am greatly distressed and grieved to think of it.

Great men in the Bible have experienced varying degrees of the Lord's discipline, leading to their humiliation. As I began to contemplate and pray about this article, the account of King Nebuchadnezzar quickly came to mind. The Lord released a dream to the king, the account of which is found in Daniel chapter 4. Knowing Daniel's gift of interpreting dreams, King Nebuchadnezzar relayed the dream to him, seeking an interpretation. Daniel is immediately appalled by what the dream meant (Dan 4:19), crying out, "My lord, if only the dream applied to those who hate you, and its interpretation to your adversaries!" I relate to Daniel in that I have no desire to see President Trump be judged and humiliated. King Nebuchadnezzar's pride had reached heaven, and as a result, the king would lose his mind, be driven from his place of authority, and live among the animals to eat grass and to be drenched with the dew from heaven (Dan 4:24-26). This was the judgment of the Most High so that Nebuchadnezzar would "recognize that He is ruler over the realm of mankind and bestows it on whomever He wishes" (Dan 4:25b) and "…that Heaven rules" (vs 26).

I would submit that this is a message not only for President Trump, but for me, the Church, our nation, and every nation on earth. The Church seems to have lost its recognition that the Lord rules over her – Jesus, in, by, and through His Spirit, stands in authority over His Church. He is the One all of His leaders and disciples are called to hear and obey. Jesus warned His disciples of their dependence upon Him –

> *John 15:4–7 (NASB95)*
> *4 "Abide in Me, and I in you. As the branch cannot bear fruit of itself unless it abides in the vine, so neither can you unless you abide in Me. 5 "I am the vine, you are the branches; he who abides in Me and I in him, he bears much fruit, for apart from Me you can do nothing. 6 "If anyone does not abide in Me, he is thrown away as a branch and dries up; and they gather them, and cast them into the fire and they are burned. 7 "If you abide in Me, and My words abide in you, ask whatever you wish, and it will be done for you.*

In order for us to abide, we must humble ourselves by keeping our hearts tuned to the Scriptures, asking for eyes to see and ears to hear what the Spirit of the Lord is doing and saying, so that we might obey Him rather than frustrate His will by working in rebellion. If we are to see His kingdom come and His will to be done on earth, we must hear His voice and unconditionally surrender to His will. Living a life of rebellion, which stems from not hearing His voice and obeying, ultimately leads to being cast into hell – the ultimate judgment and humiliation.

We dare not move on from our study without considering Christ's experience of humiliation and shame. He was rejected by His own, scorned by Jewish religious leaders. He was unjustly condemned to death by Pilate, and then mocked, beaten, stripped, and crucified by the Roman guards. Jesus, the Son of God without sin, whom Paul said is "the power of God and the wisdom of God" (I Cor 1:24) died for our sins. To the Philippians, Paul wrote of Jesus' walk of humility (Ph 2:6-8):

> *6 who, although He existed in the form of God, did not regard equality with God a thing to be grasped, 7 but emptied Himself, taking the form of a bond-servant, and being made in the likeness of men. 8 Being found in appearance as a man, He humbled Himself by becoming obedient to the point of death, even death on a cross.*

Not just to the point of death, but death on the cross as a means of humiliation by public display to deter others from committing crimes against the state[1]. Jesus modeled to us the life of humility we are called to walk in.

In testing the vision I received this week, it is clear that it fits with previous visions, with additional, specific revelation. The first was released on March 11, 2020, titled "***Prophetic Bulletin: The Lord is Shaking the Heavens & the Earth (Global Economic Collapse)***". I wrote about how the Lord revealed that His intention was to attack the global economy, which He has been doing systematically since the plague, known as the COVID-19 pandemic, swept the globe in early 2020. In this vision, I also saw that trade between nations would be severed, bringing severe economic hardship to all nations.

In October of 2025, I released a vision titled "***The Lord Will Shake the Earth***". The Holy Spirit revealed that the shaking He was bringing would be severe. When we add the revelation from the vision titled ***"America's Last Warning"***, I heard the following words directed to America, confirming the severity with which the Lord is moving globally:

> *This is your final warning, for the judgment will be severe. The host of heaven will be released against you, for you have not humbled yourself or repented. This is your last warning. Devastation will come to the West Coast and flow to the East Coast; devastation will also come to the East Coast and flow to the West Coast; from the south to the north and from the north to the south. The Lord Himself has commanded it, and He will bring it and release it, until you cry out for forgiveness, and then the Lord will forgive, but not until then.*
>
> *The judgment that will be released is designed to break your pride and to bring humility. Pride comes before a fall. America, you will surely fall until you acknowledge that the Lord of hosts is God and there is no other.*
>
> *I then saw the Lord standing before me, and He impressed me again with the severity of the judgment that is coming to America. Make no mistake, the judgment will come in great severity.*

I refer you to our website at www.joshuarevivalproject.org for additional prophecies that continue to confirm the Lord's intention to judge the nations as He watches the level of their wickedness increase. Time and again, the Lord has warned the nations, but they refuse to listen to His voice.

Within this framework of understanding, testing the current vision with what the Lord has revealed over the years, I turn to what the Lord revealed this past Sunday, fully aware of the distress it may cause you, as it has caused me.

THE PROPHETIC VISION

The Lord said, "You are witnessing what I am doing in Iran and the Strait of Hormuz. The world will continue to experience My choke hold at the Strait. It will continue to be severe, because I am pouring out My wrath on the nations at that chokepoint; it is of Me. For if the nations will not bow down to Me, they will bow down to that evil that is there to keep that Strait closed."

[1] Elwell, Walter A., *Baker Encyclopedia of the Bible,* Baker Book House, 1988, pp. 555-559.

"President Trump will continue to be amazed at the fact that the Strait of Hormuz is not open, because I, Myself, have closed it and will continue to cause a chokepoint there. For I make the straight ways crooked, and as the world wants to walk in crooked ways, they will find crookedness there. *(MCB Note: The Bible reveals that "the integrity of the upright will guide them, but the crookedness of the treacherous will destroy them" (Prv 11:3). The psalmist expands this thought, saying "[26] With the pure You show Yourself pure, And with the crooked You show Yourself astute [lit. twisted] (Ps 18:26))*. It will not be a straight way; it will be a crooked path – and so the world is on a crooked path. Either the nations bow down to Me, or they will bow down to the wicked one – there is no void."

The Lord then commanded me to continue to watch and keep my eyes on what He will do in the Strait of Hormuz.

The Holy Spirit then revealed, again, that He will humble President Trump. He will be humbled concerning the Strait of Hormuz. This is the beginning of a downward path of humiliation that the Lord is taking President Trump on. I then saw a time of judgment on either side of President Trump. The Lord is leading him on a very narrow path to strip him of his pride. Both the President and his cabinet will be dismayed. This is a very hard word for me to deliver.

The Lord then warned me to be very sensitive to what He reveals in the coming days. It should be clear that this is a time to pray for President Trump and his cabinet members. As the Lord deals with our leaders, so He is dealing with us.

A Vision: The Coming Judgment of America & The Humiliation of President Trump

Received June 21, 2026 – Published June 24, 2026

As this vision began, the Lord impressed upon me how grave the information He was about to reveal was. I then saw the Lord standing on the coast of California, facing east, intent on bringing judgment to the United States; He was observing our nation very closely. He then stood with His sword in His raised left hand, symbolizing judgment; He has two hands: one for blessing, the other for cursing and bringing judgment (Lev 26; Deut 11:29; 27:11-13; 28; Josh 8:34).

I then observed Him place the tip of the sword into the ground, dragging it along our northern border with Canada from west to east, and then following the entire border of the United States in a clockwise direction. As He walked inside our borders with His sword in His left hand, He was isolating the U.S. for judgment.

This is confirmation of a previous vision I published, titled "The Time of the Lord's Accelerated Judgments Coming to America" (April 26, 2026). In that vision, I witnessed the Lord building a perimeter of judgment starting in the southeast and moving across the southern states, ultimately taking the same clockwise path around the United States and back down the eastern seaboard. The Holy Spirit went on to reveal the following:

> The Spirit then revealed that dominos of judgment would fall throughout Texas and would primarily affect assemblies, which may or may not be churches. As judgment falls, many in the Church will be in terror, crying out to the Lord. He then said, "I have been speaking to them, but they have not been listening. As My judgment falls, they will have their ears tuned to Me."[1]

Please note the Lord's emphasis regarding judgment coming to Texas churches. In that same vision, the Lord then said, "I am going to surround America with My army, for it has not heeded My words, nor My final warning. 'I then saw judgment falling.'"[2] This was a reference to a prophecy I released titled "The Lord's Last Warning to America Before Judgment" (October 24, 2025). Clearly, the time for our repentance has passed; the judgment for America is now certain.

In the latest vision, I saw Jesus standing in America. I witnessed Him pray to the Father, saying, "The pride of this nation has come up before you." He then continued to pray for judgment to come to America according to His plan, timing, and purpose. **He then prayed that the humiliation and stripping of President Trump would begin.** This will be similar to King Nebuchadnezzar being purposely driven away from his position of authority. The Bible records that in fulfillment of the dream released to the king (Dan 4), a voice from Heaven said that it

would be so, "…until you recognize that the Most High is ruler over the realm of mankind, and bestows it on whomever He wishes" (Dan 4:32). This is a confirmation of what the Spirit of God revealed to me in the prophecy *The Lord's Choke Hold at the Strait of Hormuz & The Humiliation of President Trump (April 7, 2026)*.

As the Bible says in Psalm 75:6–7 (NASB95 emphasis mine), "For not from the east, nor from the west, Nor from the desert *comes* exaltation; But God is the Judge; He puts down one and exalts another." The Lord knows how to humble those who walk in pride, as it is set forth in Prov 16:5: "Everyone who is proud in heart is an abomination to the Lord; Assuredly, he will not be unpunished."

As the vision continued, I saw President Trump's family watching the Lord's humiliation of the President. They became deeply distressed and were perplexed as to why this was happening to him. However, the President will be judged in righteousness, which will help his family understand who the Lord truly is. In contrast, the Bible records that one of Nebuchadnezzar's descendants, King Belshazzar, knew of his grandfather's humiliation but disregarded it in his pride, neither humbling his heart nor giving glory to the Most High God (Dan 5:22-23). The Lord's work of grace in President Trump's heart and life will instruct his family, and they will be blessed as a result. The country will witness the Lord's work in the President's life.

President Trump will understand that what he is going through is from the Lord; he will come to that realization, even as King Nebuchadnezzar did (Dan 4:34-37). When the President acknowledges and exalts the King of heaven and humbles himself, his heart will be set correctly in understanding who the Lord truly is, and he will be restored with robes of authority, walking humbly before Him; the Lord will exalt President Trump again.

I then saw that other world leaders, namely those in Europe, will mock President Trump. They will not realize that judgment will come to them as well.

On a personal note, I have no pleasure in bringing forth this prophetic word concerning the President. I appreciate his sacrifice to serve our nation and his work to protect the Constitution, the rule of law, and our borders. As Daniel said to King Nebuchadnezzar before interpreting the king's dream, "My lord, if only the dream applied to those who hate you, and its interpretation to your adversaries" (Dan 4:19)! I, too, wish the vision were for the President's enemies, but the Lord judges in His righteousness, wisdom, and understanding. The Lord's discipline in the President's life, proof of His love for him (Prv 3:11-12; Heb 12:5-11), will ultimately bring forth the fruit of righteousness (Heb 12:11).

Let us pray for our President and his family, that the Lord will give them the grace to walk through the valley ahead. May we, as a nation, humble ourselves before the Lord by acknowledging the authority of the Holy Spirit in our churches, by allowing Him to move in power in and through His people. If we do not, His judgment will surely come. As the Lord has spoken, "Woe to those who stand against Me in the days of My wrath."[3]
