

Vision Concerning China

January 9, 2020

April Turner: A vision of many red-orange lanterns hanging in the market. They are normally used during the Chinese New Year which is January 25th. The Lord is bringing release to His Church in China..."Let My people go!"

Mark Biteler: From the Lord's point of view, this is a new year for the Chinese in terms of how He is planning to move upon China with judgments.

In a vision I saw the Lord seated at a table with an ancient board game. It appeared similar in form and set up to chess, but the pieces appeared to be from ancient times.

The Lord was on one side of the board and what appeared to be a Chinese official on the other. The Lord began to move His pieces so quickly that the official was overwhelmed by what was happening. As the Lord was moving His pieces, the game board began to shatter under the piece He was moving. Moreover, on the official's side the board was beginning to break with what was similar to earthquake-type fissures, thereby making his part of the board unplayable; the official couldn't make a move.

Note: The Chinese game, Go, an abstract strategy board game is estimated to be 2500 years old and is probably the oldest board game continuously played until the present day. The aim is to surround more territory than your opponent. (Wikipedia, [https://en.wikipedia.org/wiki/Go_\(game\)](https://en.wikipedia.org/wiki/Go_(game)))

The Lord then revealed that great and terrible judgments were about to come to China and that I was to announce this prophetic word wherever I was sent.

The Chinese have no idea what is about to hit that nation. The judgments that are coming from the Lord are going to be so severe that the shock that they bring will be felt by President Trump in the White House. This is to serve as a "shot across the bow" of America as a warning to the U.S. that the same judgments will be released upon it if it does not heed the Lord's warning.

I was then instructed to pray for President Trump so that he would be used by the Lord to spread His glory in the earth.
