

## **A Prophetic Vision: The Dominoes of China, the Nations of Asia, the European Union, the United States of America & BRICS**

September 2, 2023

---

In this vision I saw the Lord as the Mighty Ancient Warlord. He began to draw Chinese characters on parchment, starting at the upper left. As I watched, I then saw China represented as a huge, towering domino standing on end. This is significant in that the Lord spoke to me some years ago – “I don’t play games like the Church.” I am only beginning to understand the significance of this revelation.

### **Understanding this Vision in the Context of Other Prophecies & Scripture**

When the Lord began releasing visions to me concerning the judgment He planned to bring to the earth, He started by releasing visions showing me the dominoes that He had set up. They represented His plan to bring swift judgment to the nations – His dominoes would fall in the pattern He had designed; once they began to fall, nothing would stop them. The Holy Spirit has continued to use dominoes to this day as He revealed His strategic plan against the nations. In another vision, I watched as Jesus played an ancient board game with a Chinese government official (for more on this captivating and revealing vision, please follow this link → <https://www.joshuarevivalproject.org/blog/vision-concerning-china>). Finally, within the last week, the Spirit released the interpretation of two dreams to me for a friend of mine. Ultimately the interpretation would be based upon the Lord dealing a winning, unbeatable hand of 5 of a kind to this friend, which related to his calling and future ministry.

In all the above, the message has become clear. The Lord “moves” to dominate His adversaries that are ultimately left with no move at all. It is impossible to beat the Lord. When He moves in judgment, He moves to demonstrate His wrath, power and His glory. For those who obey His voice and align with Him, He provides the winning hand that is unbeatable. Their victory is in the Lord. The Lord’s judgment of Pharaoh and Egypt is a great example of these truths.

### **Dominoes Represent the Economy of Nations**

In February, 2020 I released a vision (<https://www.joshuarevivalproject.org/blog/china-judgment-will-escalate-economic-financial-sectors-will-be-demolished>) regarding the Lord’s intention to systematically destroy China’s financial sector and economy. In this blog post I said the following –

*The financial and economic sector controlled by corrupt men will be systematically dismantled and demolished. I saw a building representing the financial and economic systems within China, full of cracks from top to bottom. There appeared to be left, middle and right portions or sections of the building.*

*The Lord would work from left to right and I saw Him begin at the upper-left corner of the building. The sense I had was that He would remove the building, piece by piece. Underneath the building was a vault where the wealth of China was stored. The Lord stood in that section of the building giving directions to angels for them to remove the wealth that would be used by the Church.*

**What the Lord is doing and will do in China is a warning to the nations, [including the USA].**

Please note the precision of what the Holy Spirit revealed in the vision from February 2020; He began to dismantle China's economy (represented by the building), from the top, upper left-hand side of the building. In this vision, cracks were visible, running throughout the building from top to bottom.

In the vision released September 2, 2023, the domino tile that represented China had cracks that ran throughout the piece. I then saw the Lord begin to push the tile down by placing His hand at the upper-left corner (the same as He revealed in February 2020). It has now become clear that what the Lord has and is using dominoes to symbolize are not only the economies of nations of the earth, but His intention to bring destruction to those economies. The Spirit revealed to me that there will be no safe haven for money anywhere on the earth. This represents a prophetic confirmation of what He revealed in the prophecy He released to me on March 11<sup>th</sup>, 2020 (<https://www.joshuarevivalproject.org/blog/the-lord-is-shaking-the-heavens-the-earth-global-economic-collapse>).

**Moving West to Other Asian Nations**

To the West, I saw other Asian nations represented as smaller dominoes of various sizes that appeared to indicate the relative sizes of their respective economies. Each of the dominoes were in the place of the nation they represented. I then watched the domino representing the economy of China fall to the West, toward the other Asian nations. When it hit the ground, the shock wave caused the domino tiles representing all the other nations of Asia to fall backwards. The meaning of this portion of the vision is that the Lord intends to conquer all the nations of Asia, by bringing devastation that will destroy their economies. The Lord's intention is to use this to bring a mighty harvest of souls into the kingdom of God.

I also saw the Lord gazing at Cambodia. He will do a special work in that nation. I saw masses coming to the Lord in that nation.

After I witnessed the dominoes of the nations of Asia fall, I saw the Lord Jesus Christ sweeping the ground of Asia. His judgment will bring a cleansing to those nations.

The Holy Spirit revealed that because of the judgment against the nations of Asia, the demonic powers of that region will be weakened. My sense was that the Lord was moving to clear the path for His Church to rise up and take the authority He has given to it, moving in great manifestations of power, signs and wonders.

**The EU, the USA & BRICS**

As the vision shifted, I saw a domino in the West representing the European Union (EU) and one, further in the distance that represented the United States of America, each placed upon a global map in their proper location. As I continued to watch, I saw the forefinger of the Lord's right hand tapping on the city of Brussels, the capital of the EU. It was then that He revealed that deep, profound wickedness, and ancient foundational pillars of evil are present in Brussels.

The Holy Spirit revealed that the EU has a facade that appears good, but it is anything but good. It was revealed to me that the evil present there is so profound, it defies description. I then saw an immense opening form in the heavens above Brussels. It is the Lord's intention to destroy Brussels with fire and brimstone. The devastation will be absolute and complete.

The Lord also revealed that in this hour, there is no safe haven for the nations. The association of the nations of Brazil, Russia, India, China and South Africa will not succeed.

In one sense, the Lord appears to be moving systematically with cataclysmic devastation against the nations of the world, from China, followed swiftly by the other nations of Asia, then to the EU, followed by the USA. However, we can clearly see that the Lord is doing many things simultaneously that are undermining the economies of *all the nations of the world*. The release of judgment in the form of the Covid-19 plague was only the beginning. The economic devastation that has come to the global economic landscape by the plague cannot be overstated.

As I have written in the past, the Lord's ultimate intention is to destroy the currencies of all nations. The only currency that will have value will be the currency of Heaven, which is faith in Him (for more on this from a related vision, please follow this link → <https://www.joshuarevivalproject.org/blog/the-currency-of-heaven>). This comes by hearing His voice and being obedient to Him.

At the time of this writing the value of the Russian Ruble to the dollar is 0.0104. The value of the Chinese Yuan to the dollar is .1377. Both currencies have fallen in value over the past two years. But this is only the beginning of the devastation the Lord will bring.

It has been revealed to me that the Lord will bring poverty to the nations. In the end, the masses from every tribe and nation will come to Him with nothing but the shirt on their backs and the idols they carry with them.

Many may question the validity of the Lord moving in judgment against the nations. The problem is that the Church knows so little of the Bible or the power of God, it can no longer preach the truth. One must have eyes that see and ears that hear what the Holy Spirit is saying to the churches. This only comes by humbly presenting ourselves to the Lord confessing that we are blind, naked, miserable, wretched and poor (Revelation 3:17). We must repent of our sins of presumption and allow the Holy Spirit to reveal what we must do and preach. We as the Church no longer value the truth of the Scriptures or hearing the voice of the Lord, and as a direct result, judgment has come, not only to the Church but to the nations.

We can no longer deny the truth that the Lord has, is and will release more judgment on the earth. For more on this topic, I submit my blog post from April 13, 2020 titled **The Disaster of Denial** - <https://www.joshuarevivalproject.org/blog/the-disaster-of-denial>.
