
(Internal) A Prophetic Vision: Three Men Have Set the Stage

October 22, 2023

In a vision, I saw the Father, the Son and the Holy Spirit sitting at a table; one seat was open. This was during a time where I waited on the Lord and normally would take this time before breakfast, but I had forgotten. I had made it a practice to spend time with the Lord before breakfast to listen and hear His voice. I had felt the Holy Spirit had called me to start every day in this fashion, not in a legalistic way, but in order to give honor to Him in accordance to Jesus said in Matthew 4:4 (cf. Deut. 8:3), "...man shall not live by bread alone, but on every word that proceeds out of the mouth of God." I am always blessed and thankful when the Lord speaks to me. His words are food for my soul.

I immediately confessed what to me was a sin and did not presume to take a seat at the table with the three of them. As I waited, an angel appeared and pulled out the empty chair and invited me to be seated. The Father was to my left, Jesus was sitting directly across from me, and the Holy Spirit was to my right.

The Father then spoke saying that there was a great deal that they had to share with me. I told them that this time was the most important thing to me. I then asked the Holy Spirit to give me ears to hear and eyes to see what would be shared.

The Father then brought forth a small figure of a man that was Xi Jinping of China. This was followed by Jesus bringing forth another small figure representing Vladimir Putin of Russia. The Holy Spirit then brought forth another small figure that represented the Ayatollah Khomeini of Iran. The Father then explained that these three men had set the stage for Him to display His destructive power. He then revealed that Xi Jinping would be destroyed and that his destruction was imminent.

I then saw that the three men were standing on a platform together where they had exalted themselves and that all would be removed. However, I saw that there were others standing on levels below them that were waiting to ascend to take their places. I saw multiple lower levels or tiers of the platform, where one man was prepared in his pride and arrogance to ascend to the next level of higher evil that would reach to heaven. But, I also saw one that would ascend to a top platform proclaiming the time for men to repent and preaching the kingdom of God.

The Trinity then began to speak to one another in a Chinese dialect, bringing forth the three figures of Xi Jinping, Vladimir Putin and the Ayatollah Khomeini. Jesus then began speaking to me in Chinese and transformed into the Ancient Chinese Warlord that He has presented Himself to me numerous times before, confirming that He has been speaking to me in the past.

Jesus stated that this was a time of war and that resources were needed for waging His war against the enemy. He said that I must look to Him for resources. I then saw Him usher people in front of me, bringing their money to donate to the ministry.

He then confirmed that He would send me to Vancouver, but that it was but a steppingstone to China and Asia. Mark Biteler
