## **Vision: The Dominoes of the Lord's Wrath Against America Will Fall**

Received (January 12, 2025)

---

I saw the Lord and He reminded me that He had told me that He was going to confront leaders and pastors in the Church. He then reminded me that He had stated that the Church has no idea what He will bring against it. His judgment against the Church will come to pass. He will bring judgment against pastors who refuse to listen to His voice and have spurned and grieved His Holy Spirit and have preached falsehood to His people.

I then saw the Lord standing, towering over America, on the West coast facing east speaking to the entire country. His voice, like a pivoting alarm siren, was sweeping across the entire country, north and south announcing, "Judgment, destruction and death! You have resisted Me long enough!" I then saw the Lord, with His right hand, remove His sword from its sheath. He raised His sword and held it out toward America while He continued to speak and spread His message across the country.

I then saw the Lord Jesus walking across America starting on the West coast. Los Angeles is now experiencing the first facet of judgment that He will release against the nation. As the Lord released multiple facets of judgment simultaneously against the nation of China that have and are being released, so too, the Lord will bring simultaneous and multiple judgments against the United States. The Lord then said, "These are the dominoes of judgment that I said would come. They are lined up and they will fall in the order I have set them up. I am the One who set the dominoes up; they will fall in the way, and in the pattern and in the sequence that I have said that they would."

He then looked at me and said, "I am going to bring you up to the platform to announce My words. Gird your loins man, because it is going to happen and you will proclaim My words across this nation, because I have laid the foundation in you on which you can speak My words with boldness. For this is an arrogant people, a prideful people, a stiff-necked and stubborn people. I will break the back of their pride and I will break the back of their arrogance until they quiver in fear before Me. On that day I will say, "Will you now turn? Will you now repent? Because if you don't, I will kill you and grind you as dust!"

For those who call themselves the "Church," yet are not the Church but are false, will not fair as well. I will rain destruction upon them. I will bring their counsel to an end. I will bring their falsehoods to an end. I will bring their false prophets to an end. I will bring those who call themselves "pastors," who are nothing but wolves and are not pastors, to an end. They will be removed from the earth. I have girded Myself to move in wrath, to destroy, to kill and to slaughter. Do not be frozen and appalled by what I say and what will happen. You will see it and you will realize it was I who said it and it has come to pass. Stand up like a man and boldly proclaim My words."

I then saw the Lord walking through America, trampling down and bringing destruction.
