

Revival for St. Louis, Missouri

November 2, 2017

In a vision I saw Heaven's label for St. Louis is "Wickedness", but the Lord himself will replace that name with "Righteousness". The Lord and His Host will surround the city, bringing forth judgment as well as an outpouring of His Holy Spirit. Because of the hard-heartedness of this generation, He comes with wrath and discipline in His hands.

Areas of priority for the Lord in the city include the downtown area, then in a northern area, followed by the southwest.

Many will welcome the call of the Lord to follow Him into battle at the frontline. For those who have ears to hear, let them hear and heed the sounding of the trumpet.
