## **Revival Will Come to Turkey and Spread East**

October 10, 2013

---

The Lord says to the nation of Turkey, "Who are you to scoff at My chosen people, Israel?"

Revival will come to Turkey and the Lord will take that nation in a day. The current church in that nation is very small, but because of the prayers of the Christians, the Lord will bring revival. Not an inch will be spared; the Lord will take it all. It will act as a gateway by which revival will spread to the East.
