the people who know their God will display strength and take action

Summary of Prophecies: California, Los Angeles & San Francisco

Updated July 8, 2026

Executive Brief

- The wickedness of California has come up before the Lord, and He has decreed judgment against the entire state. **His word: "Get out of California while you still can."**
- The Lord revealed that ten million lives are at risk in Los Angeles. He will bring great and successive judgments to this city.
- COVID-19 was the starting point of the Lord's judgment against the nation and the world. This was followed by the massive fires in California that began in August 2020. The Lord waited for those in California to respond with repentance, but there was none.
- Specific judgment has been decreed against San Francisco & Los Angeles
    - Los Angeles will be pounded with successive waves of judgment; the January 2025 Palisades fires were only the beginning.
    - The devastation that the Lord will release against San Francisco will be so massive that it will affect the entire nation.
    - 10,000,000 lives are at risk in the Los Angeles metro area.
- The Lord has declared, "None are as guilty as My Church."
- Judgment is decreed for the entire United States of America. Major cities will appear as if they were a war zone. The Lord intends to shake California and the nation.
- Civil War will come to America and last longer than anyone anticipates. Christians are called to seek the Lord as to how to prepare.

I. **Overview** – In the fall of 1996, the Lord revealed through a vision that He would bring judgment to the entire United States, although I did not receive the interpretation until many years later. The Lord began revealing His intention to release judgment specifically against San Francisco in January 2014. This was part of a dream/vision about judgment coming against the entire United States.

This was preceded by a time of struggle and seeking the Lord because of an internal sensation that I was "falling" on the inside. For the entire month of October 2013, I felt that something was very wrong with me spiritually. I consulted friends who could offer no meaningful counsel concerning what I was going through. I was desperate to have an answer and continued to seek the Lord as to what the root of my problem was.

Finally, at the end of October 2013, the Holy Spirit spoke to me saying, "You must surrender the United States to Me to do what must be done." Immediately I knew that He would bring judgment to America. For years I had been praying for the Lord to bring revival to America. I had hoped and prayed that judgment would not have to come and that the outpouring of His Spirit and the resulting revival would fix everything. However, the Lord made it clear that my desires were not in line with His desires and plans for America. I had to surrender and die to my vision for America's future for His. This truly was a dying for me, and yet I did surrender to His will. When I did, the feeling of "falling" and all that I had experienced during October was gone.

II. Judgment for San Francisco (Jan 2014)

- In a vision I saw the foot of the Lord (that seemed to cover multiple states) with His heel upon San Francisco, California, with His foot pointed due east. An earthquake then emanated from His heel, where the greatest effects were felt in the San Francisco area, but the quake stretched two-thirds to three-quarters of the way across the entire U.S. from West to East. At the time I received the vision until now, I do not believe that the Spirit is saying that a literal earthquake will stretch across the entire nation but *rather is a symbol of the immense devastation that will come to that region* and will be ***felt*** across the entire nation; when one suffers, we all suffer (I Cor 12:26). America will suffer because of the devastation He has revealed He will bring. It will also be an indication of the Lord's presence and that He is moving in power to wage war against the United States (Zech 14:3-5).

III. Destruction for Major U.S. Cities & the Lord Rebukes Pastors (June 11, 2020)

- "America, are you a country of independence? You are not independent of Me!"
- "I am the foundation of your Constitution. I, Myself, can rip up the Constitution. There is no foundation deeper than Me. You rest on the founding fathers who rested upon Me."
- "America, I will clean you of your harlotry. With My own feet I will trample down those who call themselves the "Church" but do not follow Me; My judgment will be upon them. I will pour out My anger and My vengeance, for none are guiltier than My Church. I have taken hold of My sword and I am pulling it from its sheath, for I will have righteousness in America."
- Vision of the Lord walking through America from west to east bringing judgment.
- Those who call themselves the "Church" will be destroyed.
- The Spirit then reminded me, "Did I not say that you would be appalled at what I would do? You have seen fires, but you haven't seen anything yet. The destruction that I revealed to My prophets years ago would come to major metropolitan cities will come to pass." – [Note: The California fires that started in August 2020 and became the largest recorded fire in California history, burning 4.4 million acres.]
- There will be no hiding place from the Lord.
- Those who see the cities where His judgment has been released will say, "It looks like war has taken place here."
- We will all be appalled at what the Lord does; "You've seen fires but you haven't seen anything yet."
- There will be desolate skyscrapers.
- I saw fire and brimstone falling from Heaven because of the depth of the sin in America, which is that of Sodom and Gomorrah

IV. Judgment Coming to Los Angeles, CA (June 20, 2020)

- Vision of the Lord walking toward a column of military vehicles, including tanks and trucks.
- He walked to the head of the column.
- He points to the area where the vehicles would be stationed to begin the assault.
- "I will bring My judgment to this city because they have not responded to Me."
- He then revealed the letters of the city – LA.
- In my heart I knew LA would be destroyed.

V. The Judgment of the Fires in California & the Northwest Demand a Response – Repent! (September 25, 2020)

- The Lord was watching the wildfires in California and the Northwest.
- With tears in His eyes, the Lord said, "They are not responding."

- The Lord spoke of fires, still to come, that would be massive.

VI. The Days of the Wrath of the Lord (January 10, 2021)

- Great wrath and judgment will be released upon the United States.
- There will be loss of life across America as the Lord wields His sword across the nation.
- "You are in dangerous and perilous times…"
- The Lord declares, "Shortly and in a little while I will release My wrath. I am turning My face toward Los Angeles and San Francisco for the darkness in these cities is deep, and it is real. So, the judgment that I have spoken about will come not many days from now."
- "The shaking that I am bringing to the country will continue and will bring fear to the wicked. But it will also cause fear within the Church because their eyes are not upon Me, nor do they know Me, nor do they know that I move in power. So, while I am moving in judgment, comfort My people. I will move in power among them, and I will bring comfort."
- "I am moving My people from where they are to where I want them to be. Tell them I am shepherding them forward. Change, change! Great change! An upheaval is coming." I then saw a rolling wave of judgment and change flowing from the West Coast to the East Coast and then back again.
- "I will speak to Donald Trump and will reveal to him what he must do. He will move up and take the platform that I have prepared for him, and he will do what I have called him to do. Everything that I have said concerning him will come to pass."
- The Lord will confront Congress as a whole as well as individual members…they have lost their fear of Me, but I am coming against them…I will establish righteousness in Washington, D.C. I will establish righteousness in this government; I will do it.
- "Much will be revealed in the days to come, for these are the days of My wrath."
- "Woe to those who stand against Me in the days of My wrath."
- "These are the days of My wrath."

VII. A Vision of Judgment & Revival: America, the U.S. Congress, California, San Francisco, Los Angeles, Alaska, Hawaii, Vancouver & Canada (December 21, 2024)

- **His command to me: "Tell those with ears to hear to get out of the state while they still can."**
- The great and terrible judgment the Lord revealed to me in 2014 will come to San Francisco.
- The Lord spoke, saying, "The judgment for L.A. is ***closer than you think***."
- Jesus will wage war with California.
- Together with Vancouver, B.C., California has set the "trend of evil around the world."
- Vancouver, B.C. and California are like two evil and wicked sisters; they are the Sodom and Gomorrah of our day.
- In the vision I saw fire like burning sulfur released from Heaven against them to burn them like chaff.
- Canada believes it is more righteous than America, but its righteousness is as filthy rags.
- The Lord will roll up Canada like a piece of turf starting on the West Coast.

VIII. Vision: The Dominoes of the Lord's Wrath Against America Will Fall (January 12, 2025)

- The Lord said, "The Church has no idea what I am about to bring against it." He will bring judgment against pastors and others who refuse to listen to His voice, have spurned and grieved His Holy Spirit, and have preached falsehood to His people.

Copyright © Joshua Revival Project All Rights Reserved

- I saw the Lord standing on the West Coast facing east, looking over America. The Lord then announced, "Judgment, destruction and death! You have resisted long enough!" I then saw the Lord remove His sword from its sheath. He raised His sword and held it out toward America while He continued to speak and spread His message across the country.
- The Lord will bring simultaneous and multiple judgments against the United States, similar to what has been transpiring in China since 2020.
- He said, "These are the dominoes of judgment that I said would come. They are lined up and they will fall in the order I have set them up. I am the One who set the dominoes up; they will fall in the way and in the pattern and in the sequence that I have said that they would."
- The Church: "For those who call themselves the "Church," yet are not the Church but are false, will not fare as well. I will rain destruction upon them. I will bring their counsel to an end. I will bring their falsehoods to an end. I will bring their false prophets to an end. I will bring those who call themselves "pastors," who are nothing but wolves and are not pastors, to an end. They will be removed from the earth. I have girded Myself to move in wrath, to destroy, to kill and to slaughter."
- I saw the Lord walking through America, trampling down and bringing destruction.

IX. **The Wrath of the Lord Will Bring Ruination to Los Angeles (February 20, 2025)**

- I saw the Lord walking toward L.A. His eyes were aflame, and His expression conveyed wrath and rage against the city.
- I then saw Him towering over L.A., bringing complete and utter destruction to that city. He will not stop until there is nothing left.
- Wave upon wave of judgment will be released L.A.
- The deception of self-righteousness invites destruction, causing people to believe the Lord would never bring judgment against them.

X. **10,000,000 Million Souls in Los Angeles Metro Are in Jeopardy (June 28, 2026)**

- In this vision, I saw the Lord observing and inspecting Los Angeles from different angles.
- I saw the power of the Lord surrounding California from all sides around the state's border for the purpose of multi-directional and multi-faceted judgments.
- I witnessed Him looking at the depth of wickedness in the city; I then saw people racing toward me in great fear and panic.
- I was then given to understand that another round of judgment was to come to Los Angeles.
- I watched as the Lord placed His hands on either side of the city, bringing a severe shaking.
- As the vision continued, the number 10,000,000 was presented to me, representing the number of lives that would potentially be lost in the Los Angeles Metro area.
- I then heard the voice of the Spirit of God say, "Tell them! Tell them! For the judgment is certain; there is no question about it."

XI. **Starting in Georgia, The Lord Will Bring Severe Judgment (October 20, 2026)**

- The Lord will pour out judgment beginning in Georgia, with a focus on Atlanta. He will then move through the Southern states to the West Coast, ultimately building a perimeter of judgment along America's border in a clockwise direction.
- The judgment He has determined to bring to California will be a message to the nation and the world.
- Judgment on both coasts will be severe.
