

JOSHUA REVIVAL PROJECT

the people who know their God will display strength and take action

March 24, 2026

Reflecting on the past three months, my mind is attempting to process all of the prophetic words the Lord is fulfilling around the world. On February 28, 2026, the United States and Israel began bombing military installations and nuclear facilities throughout Iran with devastating effect. Iran's Supreme Leader, Ali Khamenei, is now dead, along with many of the country's senior political, religious, and military leadership. At the time of my writing, the Strait of Hormuz is closed, and the Lord continues to constrict international trade in yet another blow to the world's economy ([Global Economic Collapse, 2020](#)).

The Lord revealed in my prophetic vision titled ["Three Men Have Set the Stage" \(October 23, 2023\)](#) that, along with Ali Khamenei, Vladimir Putin & Xi Jinping were three men who had set the stage for the Lord to demonstrate His destructive power. Using the U.S. military, the Lord has brought judgment and destruction to Iran's political and military complex. In that same vision, the Lord stated that Xi Jinping's demise was imminent. In the vision titled ["Prophetic Vision: The Nations, China, Vancouver & Canada" \(July 7, 2025\)](#), He said, "Keep your eyes on what I do to Xi Jinping."

The multifaceted judgments issued against China since 2020 have wreaked havoc in that nation. Restrictions on trade and tariffs with America continue to demonstrate the ongoing fulfillment of the Lord's intention to completely dismantle China's economy and financial systems, piece by piece, which was revealed to me beginning in the vision ["China: Judgment Will Escalate – Economic & Financial Sectors Will Be Demolished" \(February 25, 2020\)](#), supported by subsequent revelations. The pressure the Lord is bringing to bear on Xi Jinping has been clearly demonstrated by the recent purges of China's top military command and leading nuclear, missile, and radar experts. The most recent failures of China's systems in both Venezuela and Iran were on display for the world. I would encourage you to visit our ministry website for more details as to what the Lord revealed He would do and what is yet to come.

For Vladimir Putin, there is no good news. His military has proven unable to win against Ukraine's armed forces, because He is fighting against them (Please see ["Ukraine – The Lord's Trojan Horse"](#), March 8, 2022). The recent technological innovations that Ukraine has exploited, resulting in attacks deep inside Russia and at the front line, are remarkable. Since the beginning of the war just four years ago, Ukraine has developed its own mid-range and long-range missiles that carry heavy payloads of explosives and have been targeting petroleum refineries, key military installations, logistics hubs, and military component manufacturing sites with devastating effect. In a dramatic turn-around, the Lord's black horse, a term used to describe a horse that shows far better than anyone could have imagined, Ukraine has taken full advantage of Elon Musk recently turning off Starlink communications systems that the Russians were using. The confusion that immediately ensued within the Russian command structure has enabled Ukraine to gain territory in record time. The Lord will bring judgment with destruction to every major city in Russia ([Devastation for Russia, Judgment for the Nations & Judgment for the Lord's Church" - November 24, 2023](#)).

In a little over two months, Venezuela and Iran, both strategic allies of both China and Russia, can no longer offer support to either. These were vital blows that demonstrate how effective the Lord has been moving in the earth, using President Trump and the U.S. armed forces. Furthermore, no doubt you have seen reports of the seizure of Russia's shadow fleet tankers on the high seas by the U.S., French, and Swedish militaries. The Lord has moved with dramatic

speed and effect, and all of us should consider that the Lord is proving He does what He says He will do.

The Lord revealed on October 12, 2025, that the shaking He would bring to the earth would be severe ([“The Lord Will Shake the Earth”](#)). I would submit that we are at the beginning of that shaking and the coming economic instability worldwide ([The Time of Instability – October 6, 2025](#)). As a result, He has also strained relationships and long-standing alliances between nations, including within NATO. Who would have thought that in less than 18 months, the United States' relationships with Canada, Mexico, and the United Kingdom would be stretched to the breaking point? This was revealed in the vision titled, [“The Lord is Turning Up the Heat” \(July 24, 2022\)](#).

How Should We Respond?

We should be walking in the fear of the Lord. The unfolding of what He described as [“dangerous and perilous times” \(2014\)](#) is here. The Lord revealed that it is imperative for all of us to remain in His Glory, which requires us to hear His voice and walk in obedience to His Spirit. There is no other way for Him to protect us, our friends, and family.

However, He has revealed that judgment is coming to the Church in America. If you are attending, involved with, and supporting a “church” where the Holy Spirit is not allowed to flow in and through His people, you need to leave and leave now. Supporting an organization that calls itself a “church” but is cut off from the Holy Spirit is an affront to the Lord. It is not a church, but it is a temple of idols that tolerates the spirit of antichrist and operates in the wisdom of man, not the Holy Spirit. The Lord loves people far too much to allow false assemblies to remain as He moves to revival. You must be willing to leave such assemblies, no matter what the cost, and follow Jesus. We do not want to be found in the company of the rebellious who have shut their eyes and have locked the door against the Holy Spirit. If we choose to stay in spiritual darkness, the Lord will not protect us; His protection is conditional on walking in His Glory. For more on this topic, I refer you to [“The Coming Judgment & Two Things the Lord Requires of the Church” \(July 24, 2025\)](#).

Below, I have included links to two posts describing what the Lord has revealed since the start of 2026. One describes a series of three dreams in one night, providing His point of view of a cross-section of our society. The other was a revelation about busyness, which dominates so many of our lives and distracts us from hearing from and following the Lord. In short, the Lord revealed that busyness is idolatry. This has immediate implications concerning how you and I may need to adjust our lives and repent.

- [Reject the Path of Meaninglessness](#)
- [Busyness is Idolatry](#)

In preparation for the coming revival, we must be awake, listening, desperate for Him, willing to change, while keeping our oil lamps full, abiding in His Spirit.

As always, please let me know if you have any questions concerning what the Lord has revealed. May our Father continue to bless you as you follow His Holy Spirit.
