

Judgment for America

October 7, 2013

I saw the hand of the Lord lifting off of America that will result in judgment. But because of His people, military leaders will be given insight and revelation as to how to protect the nation to a certain degree. Protection from the Lord will be available for those who are on fire for the Lord, but His judgment will still come to the country.

Isaiah 26:11 (NASB95)

11 O LORD, Your hand is lifted up yet they do not see it. They see Your zeal for the people and are put to shame; Indeed, fire will devour Your enemies.

Jeremiah 50:20 (NASB95)

20 'In those days and at that time,' declares the LORD, 'search will be made for the iniquity of Israel, but there will be none; and for the sins of Judah, but they will not be found; for I will pardon those whom I leave as a remnant.'

The Lord has heard the cry of the blood of the martyrs and is beginning to fight for them. This includes the millions of babies that have been aborted in America. There is not enough time for the judgment that is due America, that is, the cup of the wrath from the Lord cannot be emptied until the final judgment of the world. There is no way for America as a nation to pay for the sin that has been committed against the unborn.

Isaiah 26:20–21 (NASB95)

20 Come, my people, enter into your rooms And close your doors behind you; Hide for a little while Until indignation runs its course.

21 For behold, the LORD is about to come out from His place To punish the inhabitants of the earth for their iniquity; **And the earth will reveal her bloodshed And will no longer cover her slain.**

Now is the time of the vengeance of the Lord to come to America.

A great plague will be released in and through the abortion clinics of America that will cause women that would normally seek an abortion to fear having this procedure. By the Spirit I saw the demons that were working through the doctors performing these atrocities would be turned back and the open door that allowed the enemy in would be closed.

The Catholic Church that has carried the battle standard has been found faithful in fighting this war, and they will celebrate with the Lord in the victory against this great evil. Other denominations that did not engage in the battle will understand that they were negligent in their duty.
