

The Lord Will War Against the Nations from the Strait of Hormuz

Received: June 3, 2026 – Published: June 4, 2026

Confirming His words over the past two months, the Lord revealed in this word that His eyes are filled with fire and that He is filled with wrath and indignation against the nations. Great change is ahead! This is the time for the Lord to lead those who follow His Spirit, walking in obedience, to cross over into what He has promised. The Lord is moving ahead of us by His Spirit to push back spiritual darkness and to take ground from the enemy. We should be aware that the Lord has also revealed that the time of the acceleration of His judgments against all nations is at hand.¹

As the Lord moves, we are called to be alert to His Spirit and to be ready to move with Him.

On April 5, 2026, the Lord revealed His intentions concerning the Strait of Hormuz:

*The Lord said, "You are witnessing what I am doing in Iran and the Strait of Hormuz. **The world will continue to experience My choke hold at the Strait. It will continue to be severe, because I am pouring out My wrath on the nations at that chokepoint; it is of Me. For if the nations will not bow down to Me, they will bow down to that evil that is there to keep that Strait closed.**"*

*"President Trump will continue to be amazed at the fact that the Strait of Hormuz is not open, **because I, Myself, have closed it and will continue to cause a chokepoint there. For I make the straight ways crooked, and as the world wants to walk in crooked ways, they will find crookedness there. It will not be a straight way; it will be a crooked path – and so the world is on a crooked path. Either the nations bow down to Me, or they will bow down to the wicked one – there is no void.**"*

Then, on April 19th, 2026, the Spirit of Christ spoke the following:

*I heard the voice of the Spirit of Christ say, "**My drama is unfolding at the Strait of Hormuz. It will affect the nations; they will sit back in awe as I take center stage. My plan is to confound the nations, rock the global economy, and bring forth the instability I have spoken of.**"*

I then saw before my eyes a roller coaster, symbolizing the "wild ride" of instability the Lord intends to put the people of the nations on, confirming what He has already revealed. I saw the Lord personally operating the roller coaster; He has designed it, built it, and it is for the nations. The nations will ride His roller coaster in fear. The speed of this ride will be very fast, and as

a result, all the riders will experience fear so intensely that it fills their hearts, nearly driving them to madness. The Lord then stated, "The design of the roller coaster is of Me."³

Today, the Lord stated that He would begin attacking the nations with great wrath from the Strait of Hormuz, providing a third confirmation of His intention to use that chokepoint.

CONCERNING CHINA

There can be no coincidence that the Lord released the following prophetic word one day before the anniversary of the Tiananmen Square massacre on June 4, 1989. The Lord remembers the suffering of the Chinese under communist rule and will set His Church free. The Church in China will be the answer to China's restoration as millions come to know Jesus Christ as their savior and King. The Holy Spirit will move mightily throughout China in a mighty outpouring.^{4 5}

The Lord revealed that Xi Jinping's reign has come to an end as he will be cut down, reminiscent of Daniel's prophecy to Belshazzar, the ruler of Babylon (Dn 5:13-31). In the first part of the prophecy, Daniel stated, "...God has numbered your kingdom and put an end to it" (Dn 5:26a). That same night, after Daniel's prophetic word, Belshazzar, the Chaldean king, was killed (Dn 5:30).

The Holy Spirit has revealed His intention to bring judgment and death upon Xi Jinping in a number of revelations, beginning as early as October 2023 and again in April 2024.^{6 7}

Xi Jinping's death will lead various factions within China's military to fight one another. This will lead to fear and widespread panic among the people throughout China. This is another confirmation of what the Spirit previously revealed on April 20, 2026:

*Turning His attention to China, the Lord revealed that judgment is close at hand for Xi Jinping. There will be great disruption within the Chinese military. Factions within the military will begin to break apart and begin fighting one another. This will cause great distress within China's economy and among the public. Great fear and terror will grip the country. The Lord then said, "It is of Me. I will finish My judgments that have been released against China." **In the end, nothing but a crater will be left of China's economy.***⁸
