## Summary of Prophecies: Russia & Ukraine

Updated: June 16, 2026

---

### Executive Brief

*(Note: Live links to each prophetic document are provided below.)*

- (October 10, 2013) - The Lord begins revealing His intention to bring judgment to Russia and confusion to Vladimir Putin and his leaders. This will come in preparation for a mighty revival in that nation, one of such purity as to set a standard for the Church worldwide.
- (March 8, 2022) – Ukraine is the Lord’s Trojan Horse. He is using this conflict to bring His war and devastation to all of Russia.
- (July 28, 2022) – The Lord reveals He was intensifying His judgment to the entire world.
- (April 20, 2023) – The Lord reveals that He is holding Vladimir Putin in His hand, a sign of impending judgment.
- (September 2, 2023) – The Lord will bring the total collapse of China’s economy, which will bring the economic collapse of all the nations of Asia, Russia included; BRICS will not succeed.
- (October 22, 2023) – Vladimir Putin, Xi Jinping, and the Ayatollah Khomeini have set the stage for the Lord to demonstrate His destructive power.
- (November 5-6, 2023) – The devastation that Russia will suffer because of the Lord moving against that nation in judgment will be as great or surpass the losses they had by the end of WWII.
- (November 10, 2023) – The Lord will bring devastation to many Russian cities. The Yalta region in Crimea will be devastated.
- (June 14, 2026) – The Lord again confirmed that He would bring devastation to Russia and that it has only just begun. He will cause Vladimir Putin to strike out against NATO, and those countries, bound by their treaty, will enter directly into the conflict on Russian soil.

### Overview

- I. [A Vision of Judgment and Revival for the Russian Federation \(October 10, 2013\)](#)
  - By the Spirit, I saw the Lord bringing Vladimir Putin and his leaders into confusion. The war released from Heaven against Russia will cause the masses to reel.
- II. [Ukraine – The Lord’s Trojan Horse \(March 8, 2022\)](#)
  - The Lord revealed that Ukraine was a “Dark Horse,” viewed as a weak contender, but it would make an unexpectedly good showing.
  - The Lord started the war to bring destruction to Russia.
  - The Lord Jesus is in the battle and is warring against Russia.
  - Russia was revealed to be an “imperialist train speeding through the grain fields of Ukraine. In a moment, the train was derailed.

- III. [Update on Ukraine: The Lord's Trojan Horse & The Moskva is Sunk \(April 20, 2022\)](#)
- We begin to see the unraveling and confusion of Russia's strategies by the Lord, fulfilling His prophetic word from October 10, 2013 & March 8, 2022.
  - The Lord reminds me that He revealed that He grasped Vladimir Putin in His right hand, referencing Psalm 118:15-16 "...the Lord's right hand has done mighty things! The Lord's right hand is lifted high..."
- IV. [Vision: Three Men Have Set the Stage \(October 22, 2023\)](#)
- The Lord revealed that Vladimir Putin, Xi Jinping, and Ayatollah Khomeini had set the stage for the Lord to demonstrate His destructive power against them and the countries they represent.
- V. [Russia's Devastation... \(November 11, 2023\)](#)
- The Holy Spirit revealed to me that in the coming days, Russia will suffer devastation as great or greater than what it suffered during World War II.
- VI. [Russian Cities Will Experience Judgment \(November 13, 2023\)](#)
- In the distance, I saw Jesus taking a sledgehammer to Russian cities. Then the Holy Spirit caused the vision to zoom in on Crimea, where He revealed that a particular section of the southern coast would be devastated because of His judgment.
- VII. [Devastation for Russia \(November 26, 2023\)](#)
- "You will be greatly appalled at what I do with cities. The cities that I bring devastation to, that I have already spoken about concerning Russia, will experience My sword, My battering ram, and My sledgehammer will come soon to those cities. ***I will bring Putin to an end and to destruction. In addition, his commanders and leaders around him will be ushered into jails and into prison as I give that country over to devastation by My hand.***
- The devastation for Russia has only just begun. It will never recover from the fall of the days of their communist glory; they will never recover from where they have fallen – they will continue to fall."
- The Lord again impressed me by His Spirit that He means to bring destruction to Russia by His own hand. The depth of wickedness in the people of Russia has brought this level of judgment. And so too it will be in the nations of the earth; great devastation and hardship, sickness, disease, and pestilence will come. Everything the Lord has determined to release in judgment will be poured out.
- VIII. [The Lord Will Bring NATO Into His War Against Russia \(June 14, 2026\)](#)
- In fulfilling His word to bring devastation to Russia, the Lord will bring NATO directly into the conflict.
  - The spark for this event will be that Vladimir Putin will strike out against one or more NATO members.
  - He has caused the NATO members to prepare for this event.
  - He previously revealed that Russia will see a level of destruction equal to, or greater than, what it suffered in WWII.
  - The Lord will prevent nuclear arms from being used.
