

A Vision: The Coming Judgment of America & The Humiliation of President Trump

Received June 21, 2026 – Published June 24, 2026

As this vision began, the Lord impressed upon me how grave the information He was about to reveal was. I then saw the Lord standing on the coast of California, facing east, intent on bringing judgment to the United States; He was observing our nation very closely. He then stood with His sword in His raised left hand, symbolizing judgment; He has two hands: one for blessing, the other for cursing and bringing judgment (Lev 26; Deut 11:29; 27:11-13; 28; Josh 8:34).

I then observed Him place the tip of the sword into the ground, dragging it along our northern border with Canada from west to east, and then following the entire border of the United States in a clockwise direction. As He walked inside our borders with His sword in His left hand, He was isolating the U.S. for judgment.

This is confirmation of a previous vision I published, titled "[The Time of the Lord's Accelerated Judgments Coming to America](#)" (April 26, 2026). In that vision, I witnessed the Lord building a perimeter of judgment starting in the southeast and moving across the southern states, ultimately taking the same clockwise path around the United States and back down the eastern seaboard. The Holy Spirit went on to reveal the following:

The Spirit then revealed that dominos of judgment would fall throughout Texas and would primarily affect assemblies, which may or may not be churches. As judgment falls, many in the Church will be in terror, crying out to the Lord. He then said, "I've been speaking to them, but they haven't been listening. As My judgment falls, they will have their ears tuned to Me."¹

Please note the Lord's emphasis regarding judgment coming to Texas churches. In that same vision, the Lord then said, "I am going to surround America with My army, for it has not heeded My words, nor My final warning. 'I then saw judgment falling.'"² This was a reference to a prophecy I released titled "[The Lord's Last Warning to America Before Judgment](#)" (October 24, 2025). Clearly, the time for our repentance has passed; the judgment for America is now certain.

In the latest vision, I saw Jesus standing in America. I witnessed Him pray to the Father, saying, "The pride of this nation has come up before you." He then continued to pray for judgment to come to America according to His plan, timing, and purpose. **He then prayed that the humiliation and stripping of President Trump would begin.** This will be similar to King Nebuchadnezzar being purposely driven away from his position of authority. The Bible records that in fulfillment of the dream released to the king (Dan 4), a voice from Heaven said that it

would be so, "...until you recognize that the Most High is ruler over the realm of mankind, and bestows it on whomever He wishes" (Dan 4:32). This is a confirmation of what the Spirit of God revealed to me in the prophecy [The Lord's Choke Hold at the Strait of Hormuz & The Humiliation of President Trump \(April 7, 2026\)](#).

As the Bible says in Psalm 75:6–7 (NASB95 emphasis mine), "For not from the east, nor from the west, Nor from the desert *comes* exaltation; But God is the Judge; He puts down one and exalts another." The Lord knows how to humble those who walk in pride, as it is set forth in Prov 16:5 "Everyone who is proud in heart is an abomination to the Lord; Assuredly, he will not be unpunished."

As the vision continued, I saw President Trump's family watching the Lord's humiliation of the President. They became deeply distressed and were perplexed as to why this was happening to him. However, the President will be judged in righteousness, which will help his family understand who the Lord truly is. In contrast, the Bible records that one of Nebuchadnezzar's descendants, King Belshazzar, knew of his grandfather's humiliation but disregarded it in his pride, neither humbling his heart nor giving glory to the Most High God (Dan 5:22-23). The Lord's work of grace in President Trump's heart and life will instruct his family, and they will be blessed as a result. The country will witness the Lord's work in the President's life.

President Trump will understand that what he is going through is from the Lord; he will come to that realization, even as King Nebuchadnezzar did (Dan 4:34-37). When the President acknowledges and exalts the King of heaven and humbles himself, his heart will be set correctly in understanding who the Lord truly is, and he will be restored with robes of authority, walking humbly before Him; the Lord will exalt President Trump again.

I then saw that other world leaders, namely those in Europe, will mock President Trump. They will not realize that judgment will come to them as well.

On a personal note, I have no pleasure in bringing forth this prophetic word concerning the President. I appreciate his sacrifice to serve our nation and his work to protect the Constitution, the rule of law, and our borders. As Daniel said to King Nebuchadnezzar before interpreting the king's dream, "My lord, if only the dream applied to those who hate you, and its interpretation to your adversaries" (Dan 4:19)! I, too, wish the vision were for the President's enemies, but the Lord judges in His righteousness, wisdom, and understanding. The Lord's discipline in the President's life, proof of His love for him (Prv 3:11-12; Heb 12:5-11), will ultimately bring forth the fruit of righteousness (Heb 12:11).

Let us pray for our President and his family, that the Lord will give them the grace to walk through the valley ahead. May we, as a nation, humble ourselves before the Lord by acknowledging the authority of the Holy Spirit in our churches, by allowing Him to move in power in and through His people. If we do not, His judgment will surely come. As the Lord has spoken, "Woe to those who stand against Me in the days of My wrath."³
