

America Hangs in the Balance

Received August 2, 2026 – Published August 18, 2026

The Spirit said, “It is a sobering time; it should be a sobering time. Continue to pray for the country, for it hangs in the balance. Many will fall away in the days ahead because they are not prepared for the judgment and the difficult times to come; dangerous and perilous times. However, I have reserved those who will walk in My glory, filled with My Spirit, and they will be used to bring forth a great harvest: 30, 60, and 100-fold. I have reserved them. So, I am doing and will do in all of the nations.”

I then saw the Lord’s people coming forth, shining brighter and brighter (Is 60:1-3). Then the Lord stated, “My Glory will be upon them, and their eyes will be open to My will and My Spirit. They will know what to do. My plan and purposes will be in their hearts; they will stand close to Me in My Glory. Because of that, I will use them, and I will be able to use them. Many will say, ‘I do not know how to get into your Glory, Lord!’ Instruct them how to get into My Glory, and they too will come in. One by one they will enter My Glory.”

I then saw a person with dirty clothes. The Lord said, “They too will come into My Glory; they will come through shedding their filthy garments and come into My Glory. Once again, they will wear white garments and walk in righteousness. **Remember this!** Call them in!” I then saw the fear of the Lord upon them. They want to come back to the Lord and to be in His Glory so that they are protected in the days ahead. They will come in. He will reach out to them in forgiveness and accept them once again.
