the people who know their God will display strength and take action

The Lord said, "You cannot divorce My Spirit or Me from My word"

Received October 4, 2026 – Published November 3, 2026

I saw the Lord Jesus who said, "Walk this way. It does not yet appear what shall be (I Jn 3:2). You cannot see beyond this point. But there is great purpose. This is why you should not judge based upon what you see horizontally, because spiritual truths lie beyond what you can see. Still, the Lord reveals truths that complement the Bible. It is good to seek Me for My perspective, understanding, and judgment concerning issues that arise."

"I am a righteous judge and a righteous God; follow Me, walk in obedience to Me, and know that I will bring you through trials and tests. **The Christian life is not a carnival with an assortment of fun rides.** For you are in a battle, and I have called you to battle, and I am leading you in battle; there are multi-year battles to establish My righteousness and will in the earth and in your life."

"Many people want to make the Christian life simple, but am I simple? Am I simple? For I am multi-faceted; for eternity I will be revealing Myself to you. No, I am not simple, nor is My Bible simple. For there are truths and principles that rely on Me; they are not independent of Me! **You cannot divorce My Spirit or Me from My word, as some teachers of faith have done.** They have divorced Me from My word; you cannot do that. You must still hear from Me concerning My judgment and My decision from on high, even as a lawyer must wait for a judge's decision. Because I study the case, I review the relevant facts and the history. I am the One who judges righteously for the good of the person before Me."

"So, no, it is not simple; I am not simple as the mind of man would attempt to trap Me. I will not be trapped."

"Teach this truth and expect persecution for teaching it. For the enemy has been emboldened by this lack of integrity concerning what My word says. But I will establish truth in My house as I war against the enemy in this respect. I will restore My truth in My house! Lies have been allowed to creep into the truth in My word and what I have revealed."

"I have called you to pull off the snakes that have wrapped themselves around this pillar of truth. Lies and darkness have covered the pillar of truth; erroneous assumptions have been made. But gold lies beneath the darkness, and snakes (lies) which have wrapped themselves around the pillar of truth. But I will release My fire, like a flamethrower, to burn off the lies and darkness that are on and around the pillar of truth. My pillar of truth will stand and shine My Glory. And the snakes and the darkness will fall away, and the truth will stand and shine!"

"This is a foundational element of My restoration of the Church. This truth has been lost to this generation, and to other generations."

I then saw Jesus on His hands and knees, finishing concrete with a trowel, which means relaying foundational truth must be done carefully. The cement must be perfectly leveled. The

cement finisher uses secondary equipment to level and finish the concrete before it dries. He then said, “Much preparation will be needed to restore My truth in My House. This is no small task; it will take years and the work of the Spirit of God to finish the work. As My truth is restored to My house, the Holy Spirit will sanctify My bride for My return.”

I then saw the Lord trampling the snakes, the lies of the enemy. As I watched the Lord, His Glory began to fall. He then said, **“My Glory will increase, and My truth and My Glory shall go forth. My truth will be revealed and taught, and I will destroy the enemy's wickedness, and My Glory will fall round about.** Continue to follow Me! Continue to follow Me, walking in the truth and in My Glory. You will see great things ahead! Great Glory, great truth! Great Glory, great truth! For they are intertwined. You cannot separate My truth from My Glory, nor My Glory from My truth. Proclaim My truth! Continue to be faithful, and I will lead and guide you into My truth and Glory.”

“I will pour forth My truth upon My Church, and My Glory will manifest. I will set the captives free, and the enemy will be defeated all round about.” I then saw an explosion similar to that of an atomic bomb, moving in all directions. Even as My servants found themselves surrounded by the enemy and fought by the Spirit of the Lord, the Lord will defeat His enemies from all sides.

More is ahead! There is no Glory without His truth; there is no truth without My Glory.
